

Homeowner Referral Program

Because we know that your opinion is valued by friends and family, we invite you to participate in the Ja-Mar Roofing & Sheet Metal Homeowner Referral Program. Earn a \$100 VISA® debit card for each friend or family member that purchases a new roof from Ja-Mar!

How It Works

Once you've contracted with Ja-Mar for your new roof, you can qualify for the \$100 referral program.

To initiate the referral process, you will need to call Ja-Mar at 1-866-441-8437 and give us your information along with the name of your friend or neighbor. Or you may simply fill out the Business Reply Card at the bottom of this flyer and mail it to us. Once Ja-Mar has installed their new roof, and final payment has been received, your \$100 referral will be processed.

Please keep in mind that final payment must be received on your new roof as well in order for the referral to qualify for the program. You may also register your referral online by visiting www.JaMarRoofing.com. See reverse for further details of the program.

Referral Program Details

- This program is linked to our Referral Rewards Program. Visit www.JaMarRoofing.com for further details.
- This offer is only valid on the purchase of a complete roof replacement on structures that exceed 1500 sq. ft.
- You may not refer your own primary residence into the program. Upon contracting for a new roof on your primary residence, you may refer a second home, rental property, etc.
- Duplicate referrals of the same homeowner will be handled on a "first referred" basis. Only the first referral of any particular homeowner or household will be honored. The date of submission will serve as the deciding factor of first received.
- The \$100 Homeowner Referral is issued in the form of a VISA® debit card that in no way affects your credit report. Checks will not be issued in lieu of the debit card.
- A \$100 VISA® debit card will be issued to the referring homeowner after the program administrator verifies that both roofing projects have been paid. Once verified, a W-9 form (Request for Taxpayer Identification Number and Certification) will be sent out to the referring homeowner for completion. Payment will be processed within 30 days of receipt of the completed form. Your accountant can advise you of any tax consequences arising from money earned through this program.
- The debit card expires one year from the date of issue. Any unused funds on the card will be forfeited. Checks will not be issued for any funds remaining on the debit card.
- Ja-Mar Roofing & Sheet Metal reserves the right to change or discontinue the program at any time, without notice. ®VISA is a registered trademark of VISA USA.
